

POTENTIAL ISP PROJECTS IN KAMPONG CHAM

1. KOH KOUL PRIMARY SCHOOL

Location: 2km from Church in Phum Thmey (New village area)

Students: 103 students studying Gd1-6 with 6 teachers, 1 VP and 1 Principal

Description:

- School with 3 main buildings (1 concrete, 2 wooden)
- Wooden buildings are termite infested
- No teachers room

Needs and potential projects:

- Need to change wooden window hinge from vertical to horizontal hinges (5 classrooms x 2 windows each)
- Needs 2 additional concrete classrooms perhaps with one teachers room
- 3 teams possible with
 - Team 1 – do window hinge change and lay foundation work for new classrooms (maybe for 3 rooms)
 - Team 2 – Build the concrete classes
 - Team 3 – paint and beautify the building
- English classes welcomed

Window hinges to change from vertical opening (left) to side opening (right)

Old wooden classrooms

Holes in roof

Termites infestation
